- Getting the code of google maps -

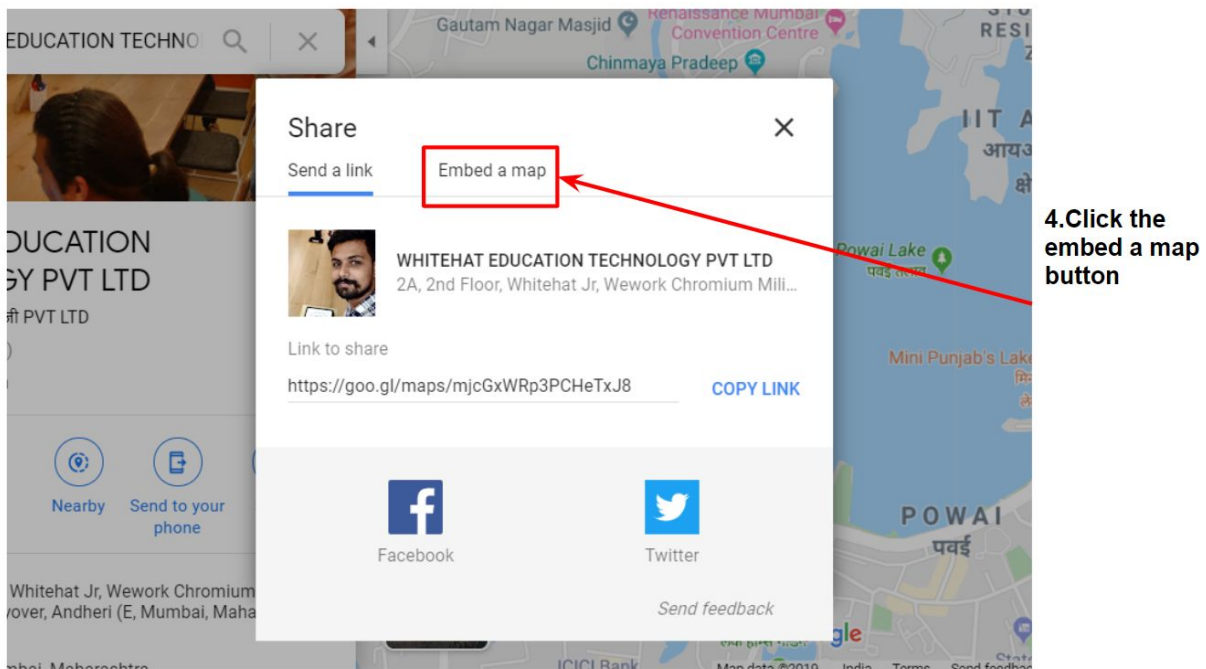

1. Enter the location name followed by the word direction

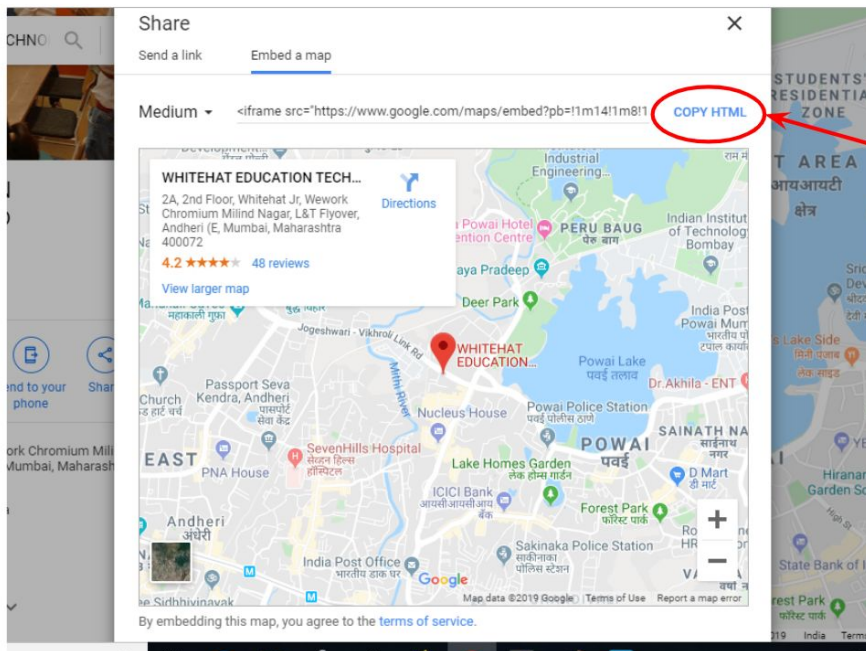

The screenshot shows a Google search interface. The search bar contains the text "whitehat jr direction". Below the search bar, there are tabs for "All", "News", "Images", "Maps", "Videos", and "More". The "All" tab is selected. The search results show "About 4,08,000 results (0.60 seconds)". The first result is "WhiteHat Jr.: Live Online Coding for Kids" with the URL "https://www.whitehatjr.com". The second result is "Teach Kids How to Code | Coding for Kids | WhiteHat Jr." with the URL "https://www.whitehatjr.com/teacher". The third result is "WhiteHat Jr | LinkedIn" with the URL "https://in.linkedin.com/company/whitehatjr". On the right side of the search results, there is a map showing the location of "WHITEHAT EDUCATION TECHNOLOGY PVT LTD" in Mumbai, Maharashtra. The map includes a red pin and a red arrow pointing to it.

2. Click on the Google map icon

3. Click the share button
